

Play value

Table Tennis in parks or on playgrounds is often a meeting point for bigger children and adolescents and for this reason should be combined with seating for spectators. Table tennis provides an opportunity for friendly competition, a stimulus for activity ranging from play to sporting conflict.

Fundamental characteristics

- Incentive for playing: known activities
- Movement: physical effort

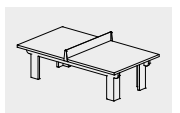

Recommended for

- School children
- Young people
- Supervised play areas, such as kindergartens, schools, after-school programmes or similar
- Public play areas without supervision, such as playgrounds, parks or similar
- Swimming pools without supervision, such as outdoor pools, adventure pools or similar
- Leisure parks

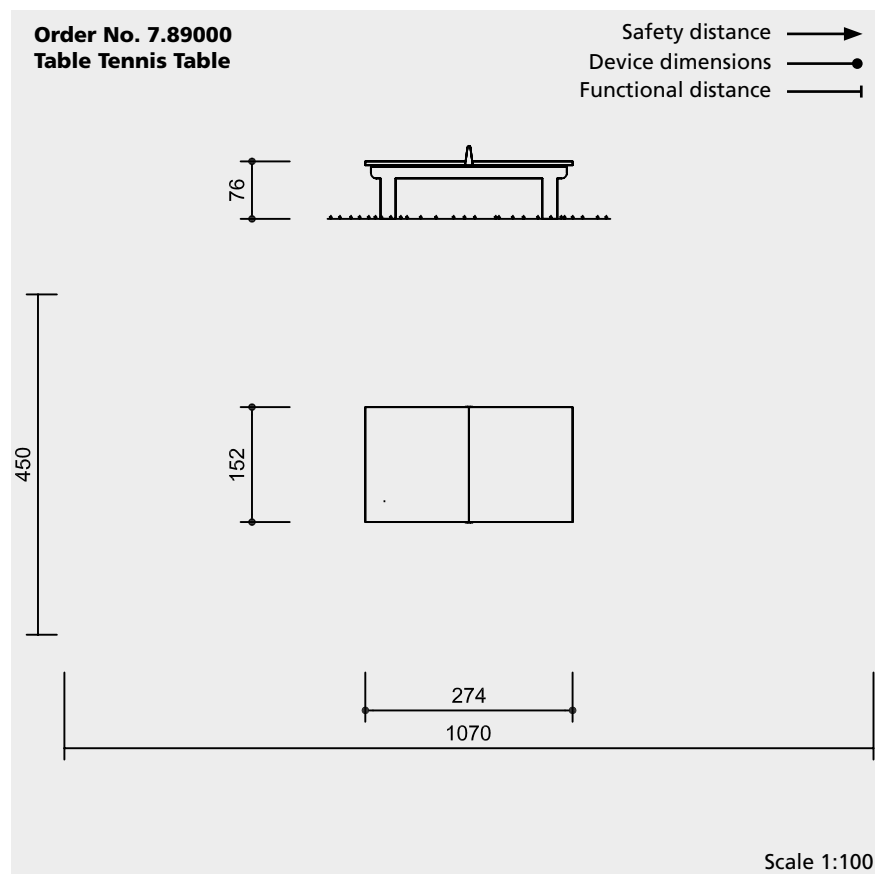

Note:

The front of the Table Tennis Table is accessible by wheelchair.

Table Tennis Table

7.89000

Safety check according to DIN EN 1176

Components

- 1 Standing frame with ground anchor
