

Play value

The appealing design of our play houses means they become the magic centre of attraction for small children. With a cosy atmosphere and basic furnishings, consisting of a table and benches, they act as a stimulus for various role-playing games. Also, the sliding half door inspires shopping, post office and train station games while the veranda with two small benches promotes communication and sociability.

Fundamental characteristics

- Child-oriented dimensions according to ergonomic knowledge
- Emotionally appealing design thanks to low-reaching roofs
- Mixture of materials: claddings/square timber
- Natural wooden surface that appeals to the senses
- Stable half-grooved roof construction made of claddings
- Elements that promote games: veranda, sliding door, interior fittings

Recommended for

- U3
- Kindergarten children
- Supervised play areas, such as kindergartens, schools, after-school programmes or similar
- Public play areas without supervision, such as playgrounds, Parks or similar
