

# Instructions for wear checks of play equipment

The equipment must be checked for correct operation and safety, especially the points listed below:

Proof of maintenance

Playground .....

Date of installation .....

Checks depend on the type of equipment. Any equipment with moving parts must be checked at least twice a year, static equipment at least once a year.

Intervals for maintenance work and checks generally depend on

- location
- kind of use
- frequency of use
- possible vandalism

For more details see also "General instructions for maintenance of playgrounds".

**Dendrophone - Double Field**  
Order No. 10.53002

## Wooden parts

1. Check for rot and, if necessary, smooth out splinters and round off sharp edges of cracks.
2. **Recommendation:** apply wood preservative wax ([www.complex-farben.eu](http://www.complex-farben.eu)) once a year.
3. Check that all bolts and screws are tight and retighten if necessary.

## Beater

4. Check for wear and tear.
5. Check that beaters are securely connected.
6. If necessary, disentangle suspension cables; if a beater is missing (vandalism) install a replacement beater.

## Structural stability

7. In order to check that the equipment is securely fastened to the ground, uncover the foundations once a year.

Special notes, e.g. for repairs

Repair not carried out, it is still possible to play on equipment

Repair not carried out, equipment is taken out of action

All work carried out, everything is in order

Maintenance carried out by:

For spare parts refer to back of page.
